WILSON  ASSOCIATES

Wilson Associates Point of Excellence Awards Luncheons recognize companies and individuals who serve the design community with excellence. They also unite these creative talents to support a greater cause: serving the disadvantaged children of Limpopo Province, South Africa.

In both Los Angeles and Dallas, all luncheon proceeds benefit The Wilson Foundation, founded by Trisha Wilson. This non-profit organization is a beacon of hope in an area plagued by rampant unemployment, a poor education system and an HIV/AIDS pandemic that has left many orphaned children in its wake.

Join Wilson Associates for another year of life-changing luncheons made possible by our Diamond and Platinum sponsors: Alger-Triton International, Couristan, Craig Roberts Associates, David Sutherland, Hill & Associates, Purchasing Management International, Smith-Brown, B.S.C. Group Ltd. (HK), Cepale & Associates, Donghia/ID Collection, George Cameron Nash, Lasvit, Mark David/Kohler, and Troy & Corbett Lighting. It's never too late to make an impact!

Dallas 2012: Thursday, Nov. 8, 2012 at The Ritz-Carlton, Dallas

Los Angeles 2013: Thursday, June 27 at The Four Seasons Los Angeles, Beverly Hills
