Interior architectural design firm Wilson Associates presented Marichu Celis of Marichu Celis Inc. and Geoff Wallace of Design Alliance Los Angeles with Point of Excellence Awards. The service providers were honored at the 14th annual Point of Excellence Awards luncheon at The Four Seasons Hotel in Beverly Hills, Calif.

The awards recognize vendors and service providers in the design industry who provide exemplary service and perform above and beyond expectations. “We believe that no matter the state of the economy, we have a responsibility to give back to others, and we will stay the course,” says Trisha Wilson, president and ceo of Wilson Associates. “I am also very grateful for all the vendors and service providers in our industry who have continued to support us through these challenging times.”

All proceeds from the awards luncheon benefit The Wilson Foundation, a nonprofit organization founded in 1997 by Trisha Wilson.
